Beneficiaries: Water Station Host Organizations

Running Zone Foundation and Space Coast Runners are proud to announce this year's beneficiaries. Listed in order of appearance on course (starting with full marathon) and ending with the southernmost station on the course of half marathon, as well as additional organizations helping in other areas.

1 Space Coast Crew is a non-profit organization established in 1996 to promote the sport of rowing in Brevard County. This program draws students in grades 7 to 12 and hosts rowing camps, clinics and an adult rowing program. Rowing is a wonderful way to improve your health being while enjoying the natural beauty of Florida's waterways.

2 Coastal Boxer Rescue of Florida is a not for profit organization dedicated to rescuing abused, abandoned and neglected boxers and securing them forever homes. Covering the east coast of Florida, from Volusia County to Miami-Dade County that is 100% operated by committed volunteers dedicated to the successful re-homing of boxers. They do not have a central shelter or location; all of our dogs are housed with the dedicated foster homes of CBR.

3 Boy Scouts of America, Troop 338 is located in Cocoa Beach, FL. They are consistently engaged in varied camping activities and outings, hold weekly meetings, attend high adventure trips, serve the community, and help Scouts advance to the rank of Eagle. This is a boy run troop emphasizing leadership, citizenship, community pride and awareness, thereby providing the next set of leaders in our community, nation and the world.

4 Melbourne High School Boys and Girls Cross Country Teams appreciate all the support we have received from Running Zone over the years. Events like this not only help us with our fundraising needs, they also give our athletes the opportunity to get involved with and support others who love the sport. We look forward to seeing you on the road. Get in those miles!

5 Satellite High School Cross Country and Track Boys cross country team was state runner-up in 2017 and 2018. They were State champions in 2019. The boys were Cape Coast Conference Champions as well as district champions 6 years concurrently and regional champions the last 5 years. Girls cross country top 10 at state the past 4 years. Conference champions 4 of last 6 years. District champs 5 of 6 years. Boys track conference and district champs, top 5 at state. Over 100 athletes in track each year the past 5 years. The track program now supports 18 sporting events with the inclusion of Javelin. Funds go to help maintain the rubber track and track supplies.

6 Space Coast Parrot Heads is a tax exempt organization dedicated to preserving and improving the environment and the community. It is a volunteer social organization with community and environmental concerns. The club strives to be a source of enjoyment, relaxation and fellowship and to provide a variety of activities for people with the tropical spirit personified by Jimmy Buffett music. The goal of SCPHC is to leave the world a little better than we found it and have a good time doing it!

7 Rockledge High School Wrestling is a Varsity and Junior Varsity sports team that young men and women participate in. We believe that to be a good athlete you must first be a good student.

8 Boy Scouts of America, Troop 488 is located in Titusville, FL. It focuses on building character through personal faith, leadership and citizenship by participating in numerous campouts, community service efforts, normal weekly meetings and special events like Eagle projects. Each scout personally grows through his efforts to achieve rank advancement on the path to Eagle scout and in the completion of requirements for merit badges. Troop 488 is building the men of tomorrow.

TIME 6:00 AM CORRALS
(A, B, C, D)**

**SOUTH HALF MARATHONERS -
START TIME 6:20 AM CORRALS
(E, F, G, H)**

The full marathoners and the north half marathoners will be in the first start and are assigned Corral A through Corral D. The north course will start at 6:00 am and will be lined up along Brevard Ave.

The south half marathoners will be in the 2nd start and are assigned Corral E through H. The south half marathon will start at 6:20 am. Corral E through H will be staged along Harrison Ave. and will be moved to the start area on Brevard Ave. as soon as the first start (Marathoners and North Half Marathoners) have left the start area.

We will provide an online link to the Participant Lookup in RunSignUp, our registration platform, to look up your race number as well as your start corral. Your start time will also be printed on the back of your race number. Your start corral will be assigned based on your expected finish time submitted during registration.

Overall awards will be based on gun time for each event and the masters and age group awards will be based on net time.

Thank you in advance for adhering to our corral assignments. We hope you have a great experience and thank you for participating in our event.

ABCD NORTH Course & EFGH SOUTH Course

VERY IMPORTANT

If you are participating in the South Half Marathon, please do not start prior to 6:20 am. The start area will be blocked off for the south course until 6:20 am. All participants heading north need to start before we change the start area to head south.

Please stay in your assigned corral until you are instructed to start moving towards Brevard Ave., the start area for the race.

PACE TEAMS: *Constellations*

As a benefit to the Marathon and Half Marathon participants, Pace Teams will be there for you. We will be offering pace groups led by experienced pacers for a wide variety of times including many of the Boston qualifying standards. We hope you will find this support useful as you strive to achieve your marathon and half marathon goals. A pace team is a group of runners, led by an experienced leader, who run together in the marathon/half marathon.

The pace leader runs a steady pace and keeps track of that pace so that the group can achieve their goal of finishing the marathon/half marathon at a particular time. There are wonderful benefits of running with a pace group. You'll be supported by a cheerful leader and will be side by side with other runners sharing the same goal as you.

What Pace Groups are offered? We will have Pacers for both the full marathon and half marathon. Look at the times and the lineup Pace Teams available on marathonpacing.com The lineup for Pace Groups follow as goal time/minute per mile pace. Additional groups may be added, so be sure to check at the Pace Team booth at the Expo.

What pace group should I be in? The best way to select the proper pace group is to know your average pace per mile. You can utilize a recent race during the past year. If you have never participated in an organized race, you can determine your pace by using your times from your training sessions.

What does it cost to run with the Pace Team? The Pace Team is FREE!

How do I sign up to run with the Pace Team? The Pacers will be inside the Publix Health & Fitness Expo on Saturday from 9:30 am until 5:00 pm.

How will the Pacers be running the race? Every pace leader will be holding a steady pace throughout the marathon/half marathon. These "even splits" are the best way to achieve your peak performance in the race.

Where will my Pace Leader be on race morning? We will be assembling for the full marathon and the north half on Brevard Avenue about 30 minutes before the start of the race. The south half is being staged on Delannoy Avenue and we will line up in the staging area and will position ourselves once the south half marathoners are moved up to the start area after the marathoners and north half marathoners have started.

Course Information

CONTINGENCY PLAN, EVENT ALERT SYSTEM & CANCELLATION POLICY:

Houston, We Have A Problem

In the case of lightning, severe rain, wind or any other condition that affects the potential safety of the participants, spectators and volunteers, the event may be delayed and all participants will be asked to proceed to safety. The event will start if the weather clears (in the case of severe weather). In the case of light rain, the event will continue until safety becomes an issue. In the event unusual conditions necessitate the curtailment or cancellation of the event for the safety of participants, the Race Director shall have absolute authority to make changes in order to best serve the interests and safety of the participants of the event. In case of extreme weather, the race director shall determine if and when the event shall cease, resume or be cancelled.

SECURITY PLAN: To Ensure A Safe Event...

Here are some additional measures that we should all take to have a fun and safe event:

- Travel light to the event
- Don't bring anything you don't need
- Don't leave your bags unattended around the race site
- Please use the clear plastic check bags provided to you at packet pick up if you plan to check your belongings
- Please return your items to your vehicle or the designated bag check area
- And most importantly, if you see something, say something!

Thank you in advance for your cooperation and patience.

AID STATIONS: Mission Support

We will have 7 aide stations (3 on the north course and 3 on the south course) with water and Gatorade. There is an additional aide station just after Mile 13 for the full marathoners. Gu brand gels will be available along the course as well.

COURSE TIME LIMITS: Shorter Than A Light Year

Course officially closes at 1:00 pm on Sunday afternoon. (7-hour time limit)

Pacing Requirements:

Marathon - An 18 minute per mile pace must be maintained for all athletes in the full marathon.

Half Marathon - A 16:01 minute per mile pace must be maintained for all athletes on the north half marathon course. A 30 minute per mile pace must be maintained for all athletes in the south half marathon course.

Walkers: Walkers are encouraged to participate in The “Space Coast Marathon & Half Marathon. Please be advised of the following:

- 1) Walkers should try to complete the full marathon course in the 7-hour limit
- 2) As a courtesy to runner participants, we ask that walkers NOT BE MORE than two abreast so runners can easily pass. Please be mindful that some marathon participants are trying to qualify for Boston Marathon. Thank you.

PROHIBITED DEVICES: *Not Suggested For Flight*

For your safety, we ask you not to wear music listening devices because the course is open to residential traffic. Strollers, bicycles, dogs and other unauthorized vehicles are not permitted on the course.

SPLITS, CLOCKS & MILE MARKERS: *Speed Of Light*

Half Marathon splits will be at the 10K mark along the course. The full marathon will be splits at the 10K, Half Marathon and 20 mile locations. Clocks will be displayed at each timing split site. Each mile will be marked along the course. North half and marathon mile markers will be RED. The south half marathon mile markers will be WHITE.

COURSE SAFETY: *Intergalactic Safety*

The race course will be open to local residential traffic. Please run on the RIGHT side of the road (with traffic). Traffic at major intersections will be controlled by police officers but you MUST be vigilant.

Full marathoners and north half marathoners: If you are between miles 1 and 13 at 8:30 am (2 1/2 hours after the start) you MUST move to the NORTHBOUND lane – the lane closest to the river. Local traffic will then utilize the SOUTHBOUND lane.

For the south half marathoners and the 2nd half for the full marathoners, at 10:00 am, (4 hours after the start), you MUST move to the NORTHBOUND lane – the lane closest to the river). Local traffic will then utilize the SOUTHBOUND lane.

There will be police support and volunteers all along the course. PLEASE be aware of vehicular traffic. This course is used frequently by runners and cyclists. Be SAFE and please be COURTEOUS to our local residents.

Medical Information

MEDICAL SERVICES & SUPPORT: Sick Bay

If anyone is in need of medical assistance, please notify any volunteer and they will help you in obtaining medical assistance. A first aid station will be available at two locations along the course (Brevard County EMS on the north course and Rockledge EMS on the south course). Coastal Health Systems ambulances will be on site during the event at the finish line, as well as City of Cocoa EMT's. The main medical tent at the finish line is sponsored by Suntree Orthopedics.

A NOTE FROM OUR MEDICAL DIRECTOR

Our Medical Director, Dr. Bryan Parry is a Board Certified Orthopedic Surgeon and is a fellow of American Academy of Orthopedic Surgeons. He practices at Suntree Orthopedics. He has served as medical director for the Space Coast Marathon for the past 8 years and is looking forward to helping at the upcoming race this November. He is an avid runner, having completed many marathons, ultramarathons and ultramarathon relays. He enjoys working with athletes because they often share his same passion for competition, health and wellness.

**SUNTREE
ORTHOPEDICS**

Even with proper training for the half and full marathons, you still may suffer from heat stress or become dehydrated. Here are a few tips to remember during the race:

- Make sure you are hydrated before the race with both water and electrolyte replacement fluid.
- Try to intake 4-6 ounces every 20 minutes during the race. You should drink electrolyte replacement fluid at least every other water station.
- Medical research has shown that non-steroidal anti-inflammatory drugs (NSAIDs) like Advil, Motrin (ibuprofen) and Aleve may be harmful to runners' kidney function if taken within 24 hours of running. Also, they may increase the risk of hyponatremia by interfering with the body's ability to retain salt. Tylenol has been shown to be safe.
- Know the symptoms of heat stress, dehydration or other symptoms in which to seek medical assistance: nausea and/or vomiting; dizziness, confusion, loss of peripheral vision; dry skin, your body is no longer able to perspire; chest pain.

If anything like this occurs, seek medical assistance. Our medical team will be there to help on race day to ensure you have a safe and enjoyable race.

Race Day: Launch

TRANSPORTATION: *Getting To The Launch Pad - The Crawler*

FACE MASKS ARE REQUIRED WHEN RIDING THE BUS!

SUNDAY: We will be providing free bus service on Sunday from the host hotels to/from the race site on Sunday morning. THE SPACE SHUTTLE PROGRAM: 1972 - 2011

NASA's Space Shuttle, officially called "Space Transportation System" (STS), is the United States government's most recent manned launch vehicle and is retired from service as of 2011. The winged Space Shuttle orbiter is launched vertically, usually carrying five to seven astronauts (although eight have been carried) and up to 50,000 lb (22 700 kg) of payload into low earth orbit. When its mission is complete, the shuttle can independently move itself out of orbit (by means of making a 180-degree turn and firing its main engines, thus slowing it down) and re-enter the Earth's atmosphere. During descent and landing, the orbiter acts as a glider and makes a completely unpowered landing.

The shuttle is the only winged manned spacecraft to achieve orbit and land, and the only reusable space vehicle that has ever made multiple flights into orbit. Its missions involve carrying large payloads to various orbits (including segments to be added to the International Space Station), providing crew rotation for the International Space Station, and performing service missions. The orbiter can also recover satellites and other payloads from orbit and return them to Earth, but its use in this capacity is rare. However, the shuttle has previously been used to return large payloads from the ISS to Earth, as the Russian Soyuz spacecraft has limited capacity for return payloads. Each vehicle was designed with a projected lifespan of 100 launches, or 10 years' operational life.

A SPECIAL THANK YOU TO:

MOONWALK CHALLENGE FINISHERS

If you qualify this year for the 3 Year Moonwalk Challenge, your race number will indicate "Moonwalk Finisher" on it with a yellow background. This year you will receive the challenge medal in your packet instead of at the finish line. We will have all medals in the series available for photo ops. Congratulations on your 3 year journey!

ASTRONAUT HALL OF FAME CHALLENGE FINISHERS

If you qualify this year for the 4 Year Astronaut Hall of Fame Challenge, your race number will indicate Astronaut Hall of Fame logo at the top with a green background. This year you will receive the challenge medal in your packet instead of at the finish line. We will have all medals in the series available for photo ops. Congratulations on your 4 year journey!

Busy days have met their match.

When you're crunched for time, delivery and curbside pickup have your back. With delivery you can have your groceries brought right to your door in as little as two hours. Curbside pickup allows you to shop online, select your pickup time, then swing by the designated spot in our parking lot. A friendly face will bring your bags to you.
